January 2022

THE PREZ SEZ

Hello All,

Welcome COCA members to "2022" and to another round of Covid. Wow!

I'm not sure who keeps letting that "Cat" out of the bag, but I'm thinking it is past time for it to be over. Hope you're all well through it all.

So, there is a lot to look forward to this year. I believe it will be a great year for our club. We have a strong membership and a lot of active members to include our new members. Welcome! So here's some of the ways you can get connected to the heartbeat of our Corvair community.

We have CORSA National Convention coming this year in Georgia. Heard it will be the convention to attend. We have members already signed up to attend.

We have Tuna's with the Mid-Continent group in Kansas coming in February. There is always someone driving that way, so it's pretty easy to hitch a ride. Terry Kalp and the group have always welcomed us to come their way.

We have an opportunity to get together with the North Texas Club this year. They are planning a weekend get together at Lake Murray. From what I've heard there is an open invitation for us to be a part. Now that would sure be fun.

We have this years Roundup in Missouri which will be hosted by the Heart of America Corvair group. The last one they hosted was in Branson Missouri and what fun that was. It was Ann and my first Roundup. So we have great memories of that trip.

This year we are beginning our preparations for the COCA roundup that we will host in 2023 somewhere in Oklahoma. I'm asking each of you to plug in and be a part.

And finally we just can't move forward without mentioning "Coffee and Cows" at Kens. Ken and Dave have hosted the work sessions each week for so many members of our club and have given us all the opportunity to work on our cars and help each other get them going. I'd sure like to get a head count of the Corvairs we now have running in the club. I believe we have a number of them and many are running and driving.

And then we always have a cruise or a dinner get together somewhere with our group.

So what I'm saying is...there is always a way to plug into club activities. I welcome you and I challenge you to be the person that "Makes the Difference this Year".

See you soon,

James
